

# Course Enrollment Information

After completing the required modules in the New Student Orientation Experience 2021 – First Year or Transfer Students D2L course, you will receive information for your advising appointment from your academic advisor and/or program coordinator directly.

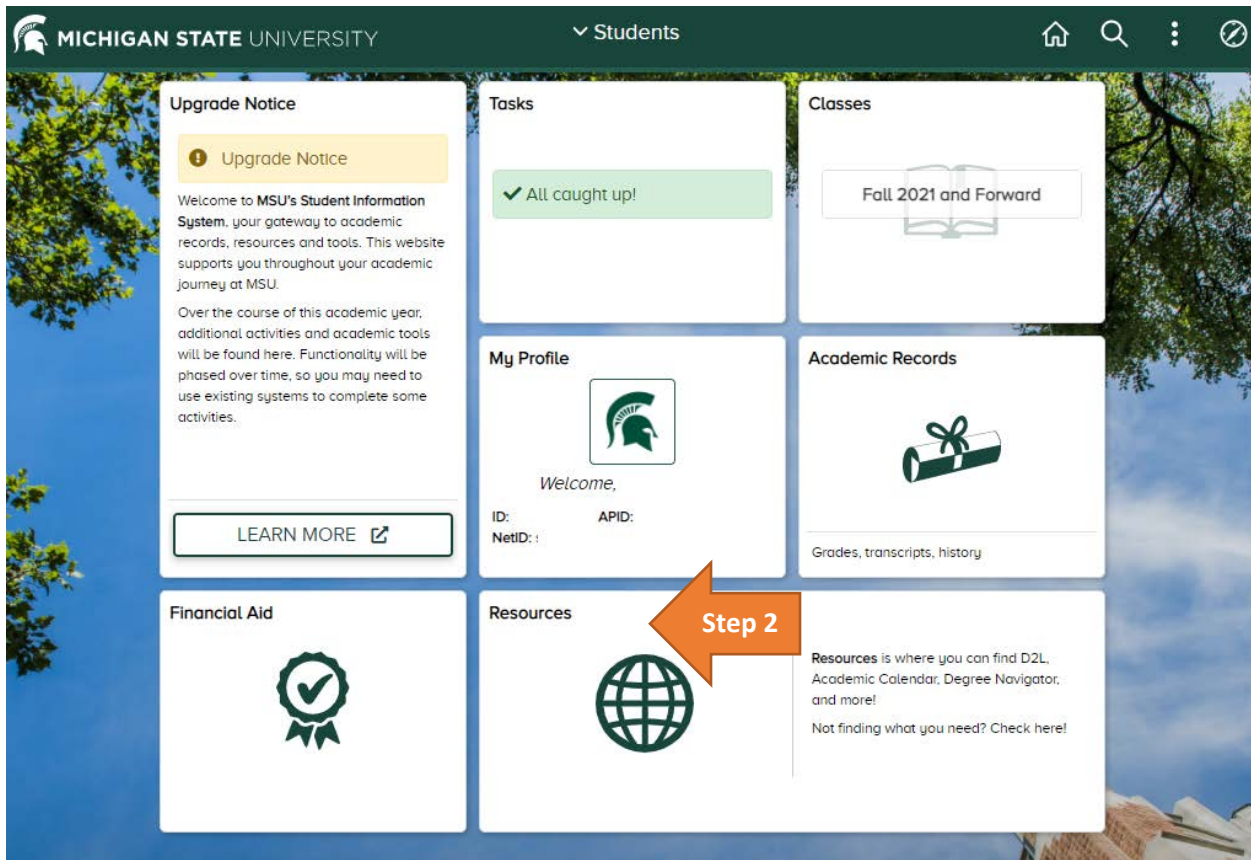

**Please note that the New Student Orientation office does *\*not\** have your advising appointment information.**

After you meet with your Academic Advisor to plan your schedule, you can access your class schedule, also known as the Academic Progress Plan (APP).

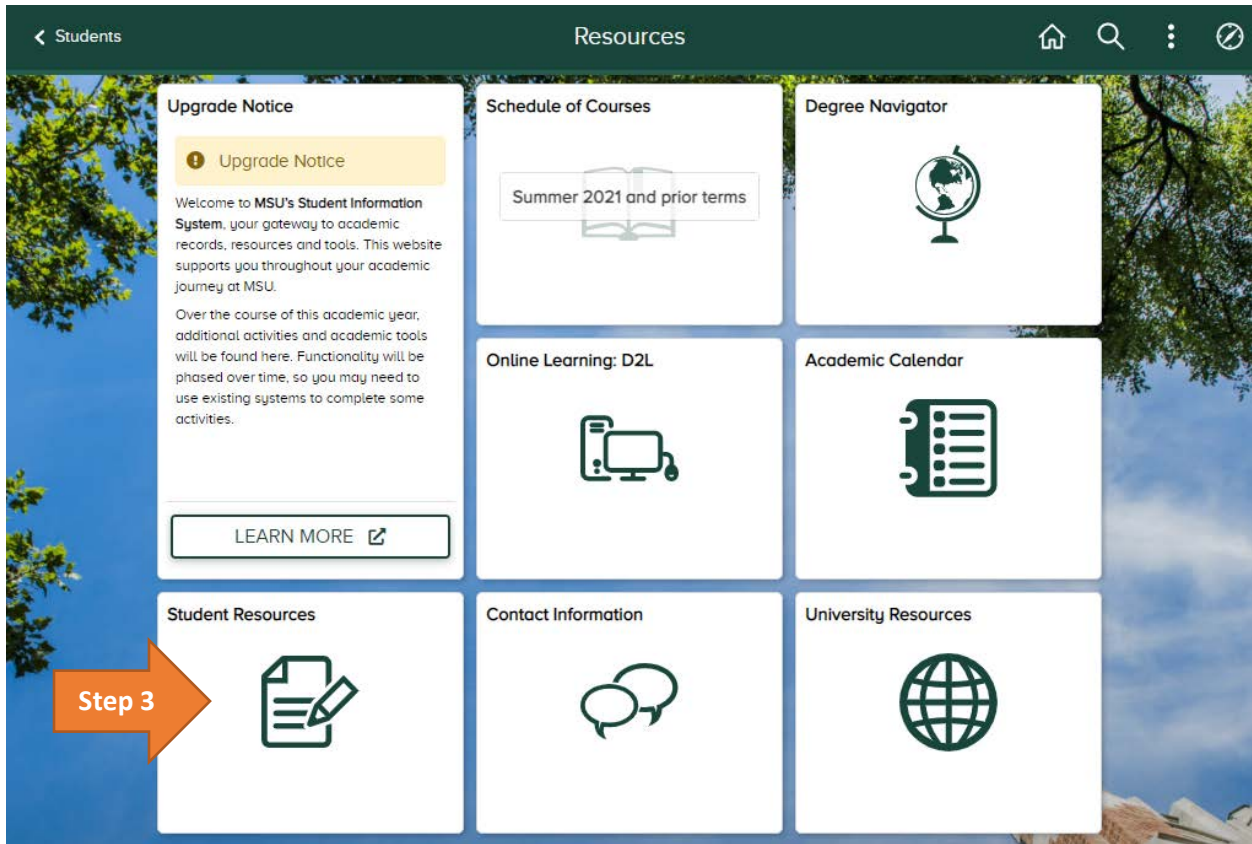

## To Access Your Class Schedule:

**Step 1:** complete the login at <https://student.msu.edu>

**Step 2:** Select the "Resources" tile form the dashboard options

**Step3:** Select “Student Resource” tile from the dashboard options

**Step 4:** You will be directed to the Office of the Registrar’s website. Once on this website, select "Confidential Message Center" from the “Other Links” menu on the right side of the screen.

## Student Resources

The Office of the Registrar provides many resources so that students may view their academic records, access academic and advising tools, and report information to remain in compliance with university policy.

### Stulnfo
