DINING ON CAMPUS

1. Dining Plans
   - Students choose one of three dining plans during the housing sign-up process: Silver, Gold, or Platinum.
   - All three plans include unlimited access to all-you-care-to-eat locations. Visit as many times a day as you’d like during open hours!
   - All three plans also include 12 Combo-X-Change meals for use per week.
   - The only difference between the three plans is the Spartan Cash and guest meal passes.
   - Gold and Platinum both include Spartan Cash and guest meals.
   - Students who choose a Silver plan can still add Spartan Cash to their card if they would like.
     In addition, guests can pay our public rate at any dining hall host stand to enjoy a meal.

   - CX provides flexibility and allows students to grab a meal on the go.
   - All three dining plans (Silver, Gold, and Platinum) include 12 CX meals per week, Sunday through Saturday.
   - Students can use more than one per day. They do not carry over to the next week, but the count of 12 will reset every Sunday.
   - CX options are available at the locations listed to the right.
   - We have color coding at our locations so you can easily identify options. A is for beverages, B is for entrées and C is for sides/snacks.
   - Items marked as BC are an entrée and side combined.
