

**Spartan Family
Connections**
Student Life & Engagement

The mission of Spartan Family Connections is to build collaboration between the Michigan State University (MSU) community and the biological and chosen family supporters of students for the common goals of student learning, development and success. We value collaboration, equity, excellence and integrity and use these concepts as the foundation for the work we do supporting the families of all MSU students.

Spartan Family Connections provides consistent communications to families who sign up to receive them as well as programs and events to support the families of MSU students throughout their academic journey. We are here for the duration of the student's time on campus, including undergraduate and advanced degree work.

You'll want to save the date for the inaugural Family Weekend, happening Sept. 23-25, and watch the website family.msu.edu for information coming later this summer regarding registration and planned events. Be sure to sign up on the website to receive future communications from Spartan Family Connections.

You can reach Spartan Family Connections through the following methods, Monday through Friday, 8 a.m.-5 p.m. Eastern:

Email: family@msu.edu

Website: family.msu.edu

Phone: 517-355-4497

We look forward to working with you throughout the student's time on campus!
